

Saint John School Banda

Annual Report 2022-2023

In the Session 2022-2023, eventually we had completed offline classes after a span of almost two years. Those years led us to encroach ourselves with the technologies that we were already being used to, with those Abilene's old technologies along with teachers we completed the offline session from Nursery to class IX.

Excellence in education and fostering the love of learning is the hallmark of Saint John School. Our staff of dedicated and sincere teachers are working to improve the academic standards of both the Pre-Primary, Primary and Secondary Sections. Efforts are made to promote the holistic development of students encouraging them to participate in both Curricular and Co-Curricular activities. Teachers act as the facilitators explaining concepts, feats and provide extra information to the students with a variety of teaching aids. E-learning is an important and essential component in this regard, which makes the teaching-learning process both interesting and interactive. Teachers take good care of the students and assist them to cope with all kinds of problems and challenges.

Academics: - Success is a sweet result of hard work combined with the desire to excel and unfailing dedication.

- Session 2022-2023 began with offline classes where the students were present physically that helped them to learn and inculcate the halves they should acquire at their age.
- As the starting of the session we had our 1st Unit Test from 2nd May 2022 to 12th May 2022.
- With completion of the unit test and correction of answer sheets, we had PTM for the Unit Test I to let the parents know about their child's progress and the weak areas to look after, so that they could perform well in the upcoming examination.
- With the commencement of PTM we had summer vacation from 15th May to 30th June 2022.
- 1st July was a pivotal day as students were rejoining after a long span of holiday of almost one and a half month, so all of us were at our work with

renewed energy to welcome our dear students and get back to live in the pool of knowledge.

- With the completion of syllabus and dispense of the knowledge along with essential manners we had our 2nd unit test from – 5th Aug to 17th Aug 2022.
- With the completion of unit test II we had our second PTM of the academic year to let parents know about their child's performance.
- Further moving on, we started our syllabus with thorough revision for the preparation of Mid-Term Examination.
- Eventually we had half yearly examination from 14th Sep to 30th Sep. All the Students had put their heart and soul and prepared for the examination. The result of the hard work put in by our students was showcased during PTM.
- Unit test III was held from 28th November to 07th December 2022.
- This year teachers made enough efforts to conduct art-integrated activities in major subjects which has helped the students to understand the concept and increase the knowledge. This evoked an interest in children to learn better the difficult concepts easily.

Co- Curricular and Extra-Curricular Activities

These are an essential part of the life of an educational institution as they strengthen the classroom learning as well as develop the personality of the child and harness the in depth potential of the students. The activities are conducted throughout the year. Some of these are-

Participation by the students and teachers in these events was very commendable.

It is said that you must practice like you never won and perform like you have never lost.

Celebrations: - Life is a celebration. We just need persons to celebrate it to foster national integration, international understanding, religious and cultural awareness and tolerance, various national and important occasions were celebrated with due pomp and grandeur.

National Festival: - Like Independence day, Gandhi Jayanti and Republic day was celebrated with due remembrance to our Mother Land, patriotic speech, parade, Mass P.T display, patriotic songs and dance were displayed by students from N.C class to class IX.

Other Celebrations: - Other celebrations like, Manager's Day, Teachers Day, National Unity day, Children's day, Girl Child and Mariya Jayanti Day also were celebrated by putting up skits, dances and songs by the students with zeal and vigor.

Science /Art Exhibition

“Scientific Art” was the name given to the Science and Art Exhibition, it brought out the theories studied in the class as a reality to the spectators, the creativity and innovations were the buds displayed to those who were invited for the same. The exhibition attracted students from other schools as well. Working models, Descriptive models, Still models etc., were the models at its display.

Games and sports:-

The students' overall development includes physical exercises and sports activities, this year we had various sports competitions like football, volleyball, throw ball, kho-kho matches, the students combined efforts of the houses were at its display. Strategies, Planning and Execution were seen by the leaders of the houses. Team building and team functioning is learnt practically by the students in these sports events.

Social Outreach Program

“Ask not what country has done to you, rather ask what have I done to the country” says John F. Kennedy, this is taught in reality to our students to do something for the country and to countrymen, on 10th October 2022 our students showed their generosity towards the least fortunate children of Khakhra Buzurg village of Banda, This action was repeated again on 02nd November 2022 for the children of Alampur Pipiriya and Dabaura Sewa by offering them with books, copies and stationery items, thereby contributing to the education of the poor and under privileged children.

Training/Seminars/Orientations & Counselling

Each academic year, trainings, seminars and orientation programs were conducted with a dual focus to improve and effectively implement innovative ideas in teaching-learning practices. As well as to take the students beyond their current level of learning.

A Real teacher is one who realizes that he/she must always be a learner.

In an effort to better themselves a considerable number of our teacher attended the seminar/Training in Child Care Bishop Conrad School, Bareilly and also took part in an extra marks seminar to know better understanding of technology.

Conclusion

We believe that every year brings a change with God Almighty's protection as we passed through an unpatented crisis situation. We are confident that we will overcome all the odds by our strong will power and ethics and pave the way for the betterment of the education fraternity and the society in general.

Before I conclude, let me assure that even though our students engaged themselves in various Co-Curricular and life skills activities, top priority is given to academic performance, remedial teaching extra classes, revisions, unit tests, lab tests, surprise tests, class tests, assignments, project works. Examinations such as quarter annual and biannual was conducted, these examinations have kept them busy throughout the year.

I render my thanks to our Management, our teaching, non-teaching staff, students and parents who have been with us in all our activities assuring us with the maximum support and Co-operation. Thank You

Principal
